

Welcome to Camp Warwa!

Thank you for choosing Camp Warwa for your child's camp experience. We are honoured to be able to spend time with your camper and are excited about their arrival. This Parent's Information Package is designed to help your family prepare for camp and answer any questions you may have. The camp office is open year-round, and our staff love to talk with families about camp, so never hesitate to give us a call or send us an email.

Mission Statement

Camp Warwa is dedicated to improving the lives of children through experiences in the outdoors.

Our Values

There are four core values that Camp Warwa believes in. These values run through every part of what we do and are what we strive to pass on to our campers.

Connecting with Yourself

Connecting with yourself: At Camp Warwa, your child will be able to experience many new things and activities. While at camp, we encourage personal growth in all our campers, and we ensure that they have the opportunity of self-reflection in an accepting and safe environment.

Connecting with Community

The community we cultivate at camp is one of acceptance and the opportunity to interact with new friends and reconnect with old ones. Our community experience includes being part of traditions, being guided by positive role models and being able to contribute as a part of a team.

Connecting with Nature

Camp Warwa is a place in nature that our campers can always return to, and all their experiences here are rooted in the natural world. At Camp, we are constantly surrounded by nature; from our forest trails we walk, to the lakes we paddle and the mountains we climb. Campers explore the world all around them and connect with it through direct experience.

Connecting with the Generations

We are thankful for the many generations at camp; from the returning staff, to the campers and everyone else that returns to this community year after year. Campers can both share their experiences but also learn from the experiences of others. Through our traditions, we can connect with all those who have come in the past, and all of those that will come in the future.

Got questions? Give us a call at 780-892-3648 or email info@campwarwa.org

Our Commitment

We strive to provide a safe, caring environment to foster the development of your child's skills, confidence, and interpersonal relationships. Through outdoor activities, we will encourage challenge, fun, and a healthy lifestyle. We believe living in a group and community setting outdoors creates an ideal atmosphere for people to grow into the best versions of themselves. Each camper is treated as unique, important and capable, and provided with every opportunity to succeed.

Family Agreement

By registering your camper with Camp Warwa, you agree to our policies and procedures. These are explained in detail in this document and include the following essential points:

- You are consenting to your child's ability to fully participate in the range of programs offered at Camp Warwa
- You are agreeing to authorize the camp leadership team in the event of an accident, injury, or illness affecting your camper, to authorize on your behalf all medical and other procedures, including admission to hospital and further treatment necessary for the care of the camper.
- You understand and agree with the Cancellation Policy.
- You understand and agree with the Promotional Material Policy

Illnesses Policy

It is essential that you do not bring your child to camp if they are sick or unwell. If your child is unable to attend camp due to an illness or injury, you will receive a refund of your camp fees.

If a camper has any of the following symptoms while at camp, not related to a pre-existing illness or health condition, they will be observed for the next hour to see if the symptoms persist:

- Cough
- Fever
- Shortness of Breath
- Sore Throat
- Vomiting
- Diarrhea

If the symptoms persist, we will contact the family to let you know that the camper is not feeling well and that they are required to be picked up from camp. While they wait for pick up, they would be kept comfortable so they can rest. We will help them get packed up.

In general, if a camper is sick or unwell at camp, even if they have symptoms other than those listed above, we will require them to return home. If their symptoms have passed and they are feeling well enough to return to camp, they are welcome to do so.

Safety and First Aid

All Camp Warwa staff hold a minimum Standard First Aid and CPR certification. Many staff have Wilderness First Aid certifications. If a trip to the hospital or doctor is necessary, we will contact you to arrange transportation for the camper. If it is best that Camp Warwa transports your child to medical services, a staff member will accompany them to Westview Health Centre in Stony Plain or the nearest hospital and a camp leadership team member will contact you as soon as possible. If any prescription drugs are necessary as a result of consultation with a doctor, Camp Warwa will cover the cost and bill you at the end of camp.

Camper Medications

Please send all camper medications to camp in their original containers. Clearly label all medications with the camper's name and dosage. When you drop off your camper, we will confirm that the medications you indicated during registration are all present. If you did not fill out the medication information during registration you will be required to complete a medications form, outlining administration instructions and frequency, at the registration table. If you are sending more than one medication, please put it in a labelled plastic baggie with each container separately labelled. If a camper requires an EpiPen, we require you to please provide two non-expired EpiPens; one to be carried by the camper and one to be kept in our first aid center.

Out-trip Risks and Hazards

Camp Warwa operates adventure-based out-trip programming for children and youth. Some of this programming is located in wilderness or semi-wilderness locations on lakes and mountainous hiking trails. There are many perceived risks and hazards inherent in the activities we engage in and the locations in which they are performed; however, we feel that the benefits to our campers far outweigh the potential risks. Camp Warwa maintains a Program Committee dedicated to reviewing and revising our current policies and procedures in order to mitigate any foreseeable risk factors.

All trip leaders carry cell phones or radios for communication. All staff are trained in emergency procedures and evacuations. In the event of an emergency, the camp is notified and maintains constant contact with the group. Prior to the summer camp season, Camp Warwa staff scout out-trip route options for the upcoming summer. This is done to record any changes to the environment and to assess risks and hazards. Detailed notes are taken and added to our information on the area.

Camp Warwa staff leading canoe trips are certified with a Paddle Canada Canoe Instructor's certification. Staff are selected based on their certifications, out-tripping experience, camper supervision capabilities, and maturity.

Cancellation Policy

All cancellations will receive a full refund if they notify Camp Warwa before May 1st 2024. Cancellations made after May 1st will receive a partial refund of \$250 for Overnight Camps, and \$100 for Day Camps. Cancellations for medical reasons, including injury and illness, will receive full camp credit to use for future family/summer camp programs.

Families wishing to change their week or program can do so at any time without penalty, as long as there is space in the new session.

If a camper is required to leave camp due to injury or illness, a prorated refund will be issued based on the time they were able to spend at camp.

If a camper is required to leave camp for behavioural reasons, the family will receive a prorated refund based on their time at camp - less the \$250 registration fee.

Behavior Policy

Everyone has the right to feel safe at Camp Warwa. With this right comes the responsibility to respect all community members and to take pride in making camp an awesome place. At Camp Warwa, we strive to create a safe and supportive environment where every camper can thrive.

If a camper's behaviour is not in line with camp rules, is unsafe, or negatively affects others, our staff will speak with the camper about why their behaviour needs to change. We will also inform their parents about the behaviour. Situations like this can be positive learning opportunities for campers, and we will do our best to help them change their behaviours. If behaviour like this persists or is severe, the camper's parent/guardian will be contacted and required to pick up their child.

Some behaviours are not acceptable at camp. In the event of any of the following situations, the camper's parent/guardian will be contacted and required to pick up their child:

- Stealing & vandalism
- Physical violence
- Verbal abuse
- The use of a weapon
- Leaving camp property without permission
- Discrimination
- Sexual activity or misconduct
- The consumption or use of alcohol, tobacco, marijuana or illegal drugs
- Consistently not following the directions of camp staff

Please ensure your child knows these guidelines and what is expected of them and others.

Camper Concerns

Should you have an urgent concern, please contact the Camp office at (780) 892-3648. During summer camp, our office hours are 9 am to 5 pm, Monday – Friday. Outside of these hours, please leave a detailed message and we will get back to you as soon as possible. You will always be contacted in the event of an incident involving your child.

Camper Mail

We have recently updated our Camper Mail tradition based on camper and family feedback. Please visit our Parent Information page at www.campwarwa.org to stay up to date on the latest news!

Meals at Camp

Three healthy, filling, and familiar meals per day are provided to overnight campers in addition to an afternoon and evening snack. Servings are hearty, and our food services staff are experienced in preparing meals in a camp setting.

Day Campers will arrive after breakfast and leave before dinner.

Camp Warwa is a nut-free camp and can accommodate vegetarian, lactose-free and gluten-free diets. Warwa is not able to provide a vegan diet at this time. If your camper has any dietary needs, please let us know prior to their arrival at camp, so our cooks can plan ahead.

Promotional Material Policy

Camp Staff will use camp cameras and personal phones to take pictures and videos during the week may, include your campers. Camp Warwa will also upload photos and videos that may include your camper to our social media platforms. Camp Warwa retains the right to use any images or videos of campers taken by Camp Warwa staff for promotional or communications purposes. By registering for camp, you agree with this policy.

Social Media

Be sure to follow us on Facebook, Instagram and TikTok while your camper is at camp to follow along with their adventures. Our social media channels are also active all year round to help families and campers stay connected with camp until next summer.

Getting to Camp

Parents are welcome to arrange transportation to and from camp. Round-trip supervised bus service to and from Camp is available for \$25. Our bus drop-off and pick-up location is the Woodcroft Community League parking lot, which is in the northwest corner of Coronation Park in Edmonton. Access the park on the north side via 114 Ave. Families who would only like one-way transportation register for round-trip bussing, then contact the office to let us know that they will only be using part of the service. To avoid confusion, we prefer that campers use the same type of transportation at drop-off and pick-up. We also offer an additional Round-trip supervised bus service to and from Camp from Spruce Grove at Rotary Park for an additional \$35.

See below for a map of Coronation Park in Edmonton and directions to Camp Warwa. You can also go to campwarwa.org for scalable maps to the camp.

Coronation Park - Bus Location

Day Camp Bus From Spruce Grove

Parents are welcome to arrange transportation to and from camp. We also offer a daily bus toand-from camp, with the bus pick up/drop off location at Rotary Centennial Park in Spruce Grove. *\$60.00 bus fee

Drop off time at the park will be at 8:30am each morning (Monday-Friday), with pickup at 5:30pm Monday-Thursdays. Please note that on Fridays, the pick-up time will be at 4pm. ID is required at pickup, so please have your information available.

Program Start and Finish Times

The following table shows drop-off and pick-up times for all summer camp programs.

Please have your photo ID ready to show staff at pick-up on Friday.

Сатр Туре	Transportation Type	Drop Off	Pick Up
	Camp Location: Camp Warwa	8:00 am - 9:00 am Monday	3:30 pm Friday
Overnight Camps	Edmonton Bus Location: Coronation Park; 11425 142 St, Edmonton AB T5M 4B6	7:30 am - 8:00 am Monday	4:30 pm Friday
	Spruce Grove Bus Location: Rotary Centennial Park; Campsite Rd, Spruce Grove AB	8:30 am Monday	4:00 pm Friday
Day Camps	Day Campers Location: Camp Warwa	9:15 am Daily	5:00 pm Monday-Thursday 3:30 pm Friday
	Spruce Grove Bus Location: Rotary Centennial Park; Campsite Rd, Spruce Grove AB	8:30 am Daily	5:30 pm Monday-Thursday 4:00 pm Friday

Directions & Map to Camp from Edmonton

- Highway 16 West from Edmonton toward Jasper
- Highway 765 North towards Darwell (look for the blue sign)
- Highway 633 East towards Alberta Beach (look for the blue sign)
- Range Road 43 North towards West Cove (look for the blue sign)
- Follow Red signs through Warwa Estates to the camp entrance.

Camp T-Shirt

Every camper receives a free T-shirt every summer! Note that only one free shirt is given out to each camper, regardless of how many weeks they attend.

Store

Our camp store is available at www.campwarwa.org/campmerch and is updated throughout the year with new merch for our campers and community! 100% of proceeds from our camp merch go directly back into camp, helping give every child the summer camp experience and allowing us to grow! *Duties and taxes apply to some merchandise.

Packing List

Camp activities occur in almost all-weather conditions. Make sure your camper is equipped to be outside, rain or shine. Label all belongings with your camper's name, so we can reunite campers with lost and found items.
